

JOE LYNCH KNOCKED OUT SHARKEY

New York, Dec. 2.—Joe Lynch knocked out Jack Sharkey in the fifteenth and final round of their bout at the Madison Square Garden here tonight. Both are New York bantamweights.

The end came after 43 seconds of fighting. Lynch's victory earned him the right to meet Pete Herman of New Orleans, world's bantamweight champion, in a fifteen round bout for the title in the same ring on December 22.

Lynch weighed 117 pounds and Sharkey 115.

Herman, it was announced, will sail December 23 for London, where he is matched to meet Jimmy Wilde, the world's flyweight champion, January 14.

Lynch and Sharkey met here ten weeks ago and although Sharkey scored several knockdowns, the judges' decision was a draw. Tonight Sharkey had the better of the argument up to the sixth round. In the seventh the tide turned in Lynch's favor and with a left hook he floored Sharkey, the latter's knees caving in. Sharkey was up in an instant.

Lynch rushed his opponent and sent him through the ropes. Sharkey appeared to be in a weakened condition when the bell ended the round.

Lynch followed up his advantage in the eighth and ninth rounds, knocking the ninth and tenth rounds on bull-dog courage. From that round to the end, however, Lynch had all the better of the contest, except for a part of the thirteenth.

When Sharkey came up for the final round he was in bad shape. A succession of blows sent Sharkey down for a count of nine. When he arose Lynch landed a right and a left to the head, which put Sharkey down again for the count.

The semi-final between Midget Smith and Phil Franchini, both of New York, proved one of the shortest bouts on record. It started as a furious slug-fest and ended with Smith landing a right swing to the jaw 21 seconds after the bout started. Smith weighed 118 pounds and Franchini 115 1-2.

FINANCIAL AND COMMERCIAL

MARKET FLUCTUATED.

New York, Dec. 2.—The successive stages of today's active stock market were characterized by hesitation, heaviness, firmness and intermittent strength, selling for profits, however, materially reducing many gains at the irregular close.

Friction of the so-called Southern Pacific "motion" overnight seemed to exercise little influence. Southern Pacific opening at a loss of 1 3-8, extending this to over three points at midday and displaying further weakness later when the balance of the list tended towards high or level. Its final quotation of 105 1-2 showed a net loss of 4 1-2 points.

"Rights" in Southern Pacific rose and fell within a narrow radius of yesterday's closing price of 23 and shares of the Pacific Oil Company, which is to take over the oil lands of Southern Pacific, were quoted on the "when issued" basis at 30 to 35.

Associated Oil, whose shares are to be merged with Pacific Oil, scored an early gain of four points, a small part of which was forfeited later. Other oils were fractional lower in the afternoon of the session, but became the stronger features later, notably Mexican Petroleum and the two Pan-American Petroleum, in which latter prices showed gains of 1 1-2 to 2 points.

Among steels, equipments, coppers and unclassified specialties there was no definite trend until after midday, when values of one to three points were scored, probably at the expense of the shorts, who also suffered in the rise of shipbuilding. Total sales amounted to 3,999,959 shares.

The money market pursued an even course, all call loans being again made at 7 per cent. and most time loans, chiefly for moderate sums at 7 to 7 1-2. Foreign exchange presented no special feature, but the rate of the dollar against the pound was reported by the Bank of England was a matter of general comment.

Foreign bonds fared better than domestic issues, many of which, including mortgages, were inclined to ease. Total sales (par value) aggregated \$12,000,000. U. S. bonds were unchanged on call.

SPORTING NOTES.

OTTAWA SPORTSMEN OFFER SITE FOR DEMPSEY-CARPENTIER BOUT

New York, Dec. 2.—An offer of a site for the Dempsey-Carpentier fight in Canada was received here today by Promoter Tex Rickard.

The proposition from a syndicate of wealthy Ottawa sportsmen suggested holding the contest at Hull, just across the river from Ottawa, during June. It was stated that \$250,000 was available as a guarantee and Rickard was requested to meet and discuss the matter with a representative of the Canadian syndicate.

Rickard said that he would arrange for a conference in the near future but that no definite plans had been made for staging the international titanic battle at any particular place. Under the contract signed by the promoters and the two pugilists, the bout can be held anywhere in the United States, Canada, Mexico, or Cuba, providing the principals are given sufficient notice of the date and arranged for proper training facilities.

It again was intimated today by the chief promoter that in case it was found undesirable to hold the contest in or near New York city, the match would in all probability be staged in London, boxing bouts which furnish the handlers a great drawing card.

When it was pointed out to Rickard that the existing contract did not cover an encounter in Europe, he stated that both Manager Kerns and Champion Dempsey had agreed to sign a new contract including such a venue. Should the emergency arise it is quite likely that instead of Dempsey receiving \$200,000 and Carpentier \$200,000 the boxers will agree to a percentage of the gate receipts, which are estimated as likely to run into hundreds of thousands of dollars with the fight staged in London.

BOXING COMMISSION SUSPENDS TWO PUGILIST MANAGERS

New York, Dec. 2.—The state boxing commission and the license committee at a joint meeting today inflicted a suspension of thirty days on two managers of pugilists and a licensed second for violating the state rule governing boxing bouts which forbids the handlers or seconds coaching any of the principals during the progress of the rounds.

Charles Leonard, brother of the world's lightweight champion, was punished for persistently coaching from a corner of the ring after being warned during the Leonard-Wellington bout in Madison Square Garden last Friday night.

Frank A. Bagley, manager of Willie Jackson and William Monteleone, who is again taking care of Johnny Dundee's state receipts, were suspended for violations during the bout between the two lightweight aspirants for Leonard's title, last Monday night.

BANNER RACING SEASON ON MARLAND'S TRACKS

Baltimore, Md., Dec. 2.—Fifty million dollars or more passed through betting machines of the four big Maryland race tracks during the season of 119 days just ended, according to figures obtained today.

Turf writers agree that it was a banner season for racing in this state—the quality of the racing, attendance and financial results.

LAYTON GOES INTO LEAD IN BILLIARD TOURNAMENT

Chicago, Dec. 2.—Johnny Layton of St. Louis went into first place in the world's three cushion championship billiard tournament preliminaries today by defeating Arthur Haddock, 39 to 35 in 41 innings, the record game of the tournament. Each had a high run of 7.

Klochefer's defeat today eliminated him from the tournament.

REMAINE OVER WEIGHT, BOUT WITH MOORE CALLED OFF

Cleveland, O., Dec. 2.—The ten round bout scheduled for tonight between Paul Moore of Missouri and Carl Remaine of Cleveland, bantams, was called off late today because Remaine was one pound over the stipulated weight of 119 pounds.

Remaine was in some cases and closed unsettled at 6 1-2 to 3 3-4 cents per pound, with December 1920 to 1921 and March 1921 to 1922. Other leading staples too all finished higher, corn up 1 1-2 to 3 3-4 cents, oats 1 3-8 to 2 1-8.

BUNDY ELECTED CAPTAIN OF YALE'S TENNIS TEAM

New Haven, Conn., Dec. 2.—Frederick M. Bundy of Norfolk, Va., today was elected captain of the Yale Tennis team for 1921. He will fill the vacancy caused by the absence from college of Kenneth N. Hawks, who had previously been elected captain.

OHIO STATE DECLINED HARVARD'S OFFER

Columbus, O., Dec. 2.—Ohio State tonight declined the offer of Harvard for a football game to be played between the two institutions at Cambridge in 1921. Members of the athletic board explained that this step was taken because of the refusal to play in Columbus in 1922.

German Theatrical Manager

John J. Carney, former major league outfielder, and for six years coach of baseball at Phillips Exeter Academy, has signed a contract to coach the Cornell nine. Carney coached Boston University's baseball squad last spring.

Prominent officials of clubs in the United States Golf Association have adopted a policy of watchful waiting over the threatened invasion of the east by the Western Golf Association. Comment generally was guarded. In some quarters there was seen an indication of patching up the differences before the annual meeting of the United States Golf Association, set for January 7 in New York.

Walter Higgins has been reelected captain of the Columbia university cross-country team it was announced recently. He broke the intercollegiate record last season.

Joe Stetcher, world's heavyweight wrestling champion, plans to retire from the wrestling game after this season. He is preparing for his contest in New York on December 13 with Ed. (Strangler) Lewis.

Purchase of the Boston American baseball club will be sought by Boston interests. Joseph F. Conway, a former president of the New England Amateur Athletic Union, said that financial men of the city were prepared to open negotiations with H. H. Frazee, the present owner. If consummated, the deal probably would result in an attempt to bring back to playing management of the Red Sox, William F. Carrigan of Lewiston, Me., who led the team to world series honors in 1918 and 1919.

George (Back) Weaver, former pitcher of the Boston Red Sox, is expected to appear in Chicago vaudeville houses in a monologue designed to prove his innocence.

The Catholic control of Stamford university has decided to build an athletic stadium costing \$750,000 and seating at least 50,000 persons. The stadium, which is under construction will start next summer. It will be equipped with a 220 yard straightaway track and will accommodate American rugby and soccer football.

A change in the point scoring system of the intercollegiate wrestling association, provides for three instead of four points for winning by decision. The five point award for first place by a fall remains. The purpose of the new rule is to increase the incentive for a fall.

A polo team representing the University of Pennsylvania is rapidly becoming a reality. A large number of polo ponies have been brought over from New York and the use of the Twenty-Third street armory, Philadelphia, has been secured for the winter. A squad has been formed and will practice every afternoon. A schedule for the new sport is being worked out and a match with West Point has been definitely arranged.

INDICTMENTS TO FOLLOW BUILDING TRUST PROBE

New York, Dec. 2.—While the joint legislative committee investigating the building trust probe is working out its plan for the new year, it is being worked out in the activities of building material organizations, the November extraordinary grand jury was grinding out the number of indictments for the criminal prosecution of persons exposed by the investigation.

Robert P. Brindell, president of the Building Trades Council, three times indicted for conspiracy, was indicted for attempted extortion, again was on the list handed up to Judge Mulquhoun in general session today. This was learned when he appeared before Judge Mulquhoun tonight, accompanied by his attorney, and pleaded not guilty. The nature of the charge was not disclosed, as three other men had been named in the same indictment, had not yet been served with bench warrants. Brindell's indictment was on the other indictments was continued.

Reid's continuing its inquiry into the activities of the Builders' Supply Bureau, the association of dealers in masonry materials and the masons' supply bureau, the committee today heard testimony alleging that the stone mason contractors of the city had organized for the purpose of boosting the price of masonry work.

This organization—the stone mason contractors association—was alleged by Anthony Precise, a mason contractor, made a million dollar levy on its members annually and forced contractors into membership with the aid of a walking delegate of the stone masons' union.

While the committee was in session the prosecution completed its case in the trial of George Backer, millionaire builder, charged with perjury in connection with testimony before the committee, and the defense began its presentation.

Sidney Treat, secretary of the association of dealers in masonry building materials, admitted he had destroyed documents of correspondence, containing thousands of letters in July, 1920, after he

The Growing Strength of Public Utilities

It is becoming increasingly apparent. A new attitude on the part of the public towards public utilities is reflected in the rulings of the various public service commissions, to the effect that utility companies must live and must have sufficient revenue to make their existence profitable.

First mortgage bonds of successful companies are now selling at from 15 to 25 points below their high prices. They offer excellent opportunities for conservative investors.

BRIEF STATE NEWS

East Berlin.—The local trappers this year claim pellets have fallen so low in price, it is worth the bother to trap any fur animals, and very few traps are set.

New Haven.—The winter season at New Haven Girls club, 498 Orange street, is over this year than ever before. The first entire season the club has had at the new clubhouse.

Madison.—Mrs. Mary A. Francis recently purchased the Heuser Stevens place in Killingworth. The farm consists of over 100 acres and has good possibilities for a summer home.

Corwall.—Leonard J. Nickerson of Corwall has announced his candidacy for the republican nomination for speaker of the house of representatives. He is the third candidate announced.

Waterbury.—The board of finance has finished its annual struggle with the 1921 budget and according to reports has been successful in slicing the huge total to a size more nearly to their liking.

Danbury.—Locomotives of the 1,000 class are to be used in the future on the Pittsford branch of the New York, New Haven and Hartford railroad between Pittsford and Stamford via Danbury.

Gulford.—William A. Dudley of Gulford announces the engagement of his daughter, Carrie Rodfield, Dudley, to Spencer Lawrence Henn, Yale, 1920, son of Mr. and Mrs. Alfred S. Henn of New Haven.

Manchester.—The opening of the Manchester Memorial hospital, which was set for Dec. 1, was postponed until Dec. 15 at a meeting of the trustees. This was made necessary because of delay in installing a sprinkler system.

Hartford.—The first meeting of the Catholic Social Service league was held in Hartford recently. Judge Edward L. Smith was elected president and Father Matthew Judge, treasurer. Miss Margaret Boylan is secretary.

Hartford.—The Hartford branch, Connecticut section, of the American Society of Mechanical Engineers, will hold its third meeting of the current year at the City club Monday, Dec. 6, at 8 p. m. The subject for the evening will be Grinding.

Greenwich.—The wedding of Miss Florence Rogers, daughter of Mr. and Mrs. Clarence DeWitt Rogers of Pryor lane, Larchmont, and George Edwin Bruce, son of Mrs. Edward Godwin Johns of Greenwich, took place Saturday evening in St. John's church, Larchmont manor.

Farmington.—The Elm Tree inn of Farmington, widely known to automobilists, has been sold by James B. Ryan to Frank P. Brennan of Hartford, proprietor of a restaurant on Asylum street in this city. The price paid is said to be \$15,000. Mr. Ryan owned the inn since 1920.

Hartford.—The wedding of Mrs. May Teltner, daughter of Mr. and Mrs. J. K. Teltner, and John L. Dower of Hartford took place in Denver Saturday morning.

had read in newspapers that the district attorney was investigating operations of the building trust probe, he had destroyed the "option cards" of that organization "many months after they had gone into effect." These cards had been sought by the committee as important evidence of the bureau system of fixing prices and matching bids.

Ernest Braun, secretary of the masons' supply bureau, testified he had destroyed the "option cards" of that organization "many months after they had gone into effect." These cards had been sought by the committee as important evidence of the bureau system of fixing prices and matching bids.

During the examination of witnesses, the committee took possession of all the books and records of the various masons' supply bureaus, which had been offered in evidence. Formal possession of these documents had previously been prevented by an injunction, which last night was vacated by Supreme Court Justice Hotchkiss.

Before the committee adjourned, Mr. Brindell, counsel for the committee, read into the records an abstract from the minutes of a meeting of the members of the masons' supply bureau which was held in the city hall on December 1, 1920.

"These heart-to-heart talks we have had with our dealers and we will move to the manufacturers that we are the only and logical channels through which they can dispose of their goods to the market and, in due time, our association will be reflected in our bank accounts."

FOURTH INSTALLMENT OF INCOME TAX DUE DEC. 15

Washington, Dec. 2.—The fourth installment of the 1919 income taxes must be paid December 15 to avoid penalties, according to a warning given out tonight by the internal revenue bureau.

Meriden.—The local fire speech case is bound for the supreme court. McCallister Coleman was arrested and now an appeal is pending to the state's highest tribunal.

BUICK

Power and dependability—Buick principles—characterize the new Buick Nineteen Twenty One Series as they have distinguished Buick cars for two decades.

Added to the service value of the new Buick models is a distinctive beauty of body lines and appointments. Among professional men, the new Buick Large Four Passenger Coupe is especially popular because of its everyday usefulness for business and leisure hours.

Reinforcing Buick reliability is Authorized Buick Service, nation-wide in extent.
